

ABOUT PRIVACY AND SECURITY

All the images you upload on this online platform and all your comments and texts are protected:

- Only your fellow participants of your same group workshop can see your images, no visitors are allowed.
- Before starting the workshop, every participant must sign an agreement in which he/she commits to avoid downloading and keep private and secret all the contents of this workshop.
- If you prefer to upload your images on Flickr or another external web, you can just post the link on this platform.
